Re: MH-120489, Providers 7105 & 7122

Dear Mr. Vidaurri:

This letter is written as official notice that Travelers Aid Society of Los Angeles (TASLA) must terminate its contract with the Los Angeles County Department of Mental Health on February 15, 2012.

The reason for termination is that, due to critical financial considerations beyond our control--the inability to raise revenue sufficient to keep the Agency in business--TASLA is unable to continue as a going concern, and must therefore shut down.

We are deeply indebted to the Department of Mental Health for its long-standing faith in and support of our Agency's programs.

Very truly yours,

U.A. Garred Sexton, M.D.
 President
